disk maintenance

FOR COMMODORE 64 AND 1541 DISK DRIVE

Congratulations on purchasing Softfiler, a Commodore 64 disk maintenance program. Softfiler ia a menu driven utility program that combines a friendly step by step help function with the power of a versatile utility system. Softfiler was developed with the needs of the most unfamiliar

computer user as well as the skilled programmer. The unique HELP key, "+", guides the user through every function with the greatest of ease.

Instructions

Since Softfiler is so easy to use there are very few instructions needed, however it is advised that you read the instructions before using the program. Softfiler's instructions are built into the program and may be viewed by pushing the "F1" function key. Help instructions may be accessed throughout the program by pressing the "+" key whenever a question arises.

Loading Instructions:

1)Type load "SF",8

2)Type RUN (press return)

3)Wait for menu

Notes:

* The function keys are located on the right hand side of the keyboard.
* (F2) is typed (Shift)(F1).
* Softfiler can be used on any BASIC program files.
* Do not validate a disk with sequential files.
